and nebulae

Event  
dependent  
on clear skies

Please no  
flashlights  
at this event

Hot chocolate  
available for  
purchase.

Provided by  
the Back Bay  
Astronomers

## Take your stargazing to Mount Trashmore Park!

Come and observe night sky wonders through a variety of telescopes. Learn to identify constellations in the sky as they are pointed out by planetarium coordinator Chuck Dibbs and the Back Bay Amateur Astronomers. **#VBStarParty**

**EXPERIENCE VIEWSPACE.** "ViewSpace" is an internet-fed, self-updating, permanent exhibit from the Space Telescope Science Institute, home of NASA's Hubble Space Telescope. Learn more about "ViewSpace" at [Hubblesource.stsci.edu/exhibits/self-update/viewspace](http://Hubblesource.stsci.edu/exhibits/self-update/viewspace).

**SET UP YOUR OWN TELESCOPE.** The goal is to share the beauty of the night sky with anyone wishing to learn about it.

**MEET THE TIDEWATER ALLIANCE STAR WARS CLUB.** From a galaxy far, far away, the fanforce will be at the event in full costume!
